If you're looking for a special place to call home, look no further. Here is your opportunity to live in a generous 4-bedroom plus study (5th bedroom) home in the coveted master-planned Lakeside precinct, equally suited to busy professionals as it is to active families.

Inside, the feeling of space created by the wide entrance and abundant light continues as you make your way to the central family living. At the heart of the home, the modern kitchen features stainless steel appliances, caesar stone bench tops, ample preparation and storage space, walk in pantry and a supersized breakfast bar to accommodate the whole family.

Adjacent to this, the family space incorporates a sitting area to one side, and dining area to the other, both leading to the undercover Alfresco via frameless sliding doors.
